<u>Innovation Ecosystem</u>

Stella Mary's College of Engineering actively promotes the enhancement of the Intellectual Property Rights Cell through a series of activities, including workshops, seminars, and conferences.

Sl.No	Name of the workshop/ seminar
1	Seminar on Achieving Value Proposition Fit & Business Fit
2	Seminar on Lean Start-up & Minimum Viable Product/Business
3	Seminar on Angel Investment / VC Funding Opportunity
4	Technical talk on Demo Day of Start-ups-Developed and linkages with Innovation Ambassador
5	Seminar on Panel Discussion with Innovation and Start-up Ecosystem Enablers
6	Developing online Repository Start-Ups Developed/Incubation and way forward plan
7	National Innovation Day 2022
8	FDP on Patenting Innovation & Invention
9	Workshop on Design Thinking,Critical Thinking and Innovation Design
10	Technical Seminar on AI & Machine Learning
11	Seminar on Environmental Sustainability and Development
12	National LEVEL Technical Workshop on Latest Trends and Technology in Structural Detailing
13	Workshop on Winning Edge for an Entrepreneur
14	Workshop on Entrepreneurship Skills, Attitude and Behavior Development
15	Workshop on PCB Design

16	National Science Day-Science Expo-2023
17	Technical Seminar on Mobile APP Development: The key to a Tech Startup Success
18	Technical Seminar on Mobile APP Development: The key to a Tech Startup Success
19	One day Workshop on Enhancing Research Paper Writing
20	International Conference on Recent Trends in Engineering, Technology and Management
21	Motivation Session by successful Entrepreneur
22	Workshop on AI Revolution Transforming Industries and shaping the future
23	Seminar on Innovative Structural Modeling with Tekla
24	National Innovation Day
25	Workshop on Business Model canvas on Smart phone troubleshooting
26	Workshop on Photoshop for Business model
